# Women's Conference

Wives of the elders and church leaders in Gisuru, Burundi gathered in February, 2024 for a women's conference taught by **Irene Gonzalez**. Each woman was gifted a new Bible.

We hope that the conference encouraged these women in their various ministries and in their personal walk with the Lord.

Please pray for Irene as she travels and in her ministry and mentorship to women in many different countries.

*Please consider designating some amount of your gift for office and admin expenses.*

# Child Sponsorship

for a Deaf or a Blind child in Burundi, Africa

Allow The Children is the sponsorship partner for two schools for the deaf and one school for the blind in Burundi which are all under one ministry umbrella. These schools and our ministry exist to bring the gospel to the children, but before we can do that, the deaf need to learn communication and the blind need to see the Lord's love.

Sponsorship funds are used to cover the basic needs of the children and the operational costs for these schools. The kids learn to read with their eyes (deaf kids) or their hands (blind kids) and they learn vocational skills that can be used to earn an income. They hear the gospel and have the opportunity to embrace faith in Jesus Christ for themselves.
